

No worries.
Just confidence.
**Begin your Futures
journey today!**

At Futures Academy, we are reimagining education to embrace students who learn better outside of the traditional school model by connecting them with teachers in environments that build a sense of belonging, hope and excitement for their futures. Here, every life is transformed by learning.

Transforming students' lives starts with a promise. A promise to provide a healthy school environment that supports the academic, social and emotional wellbeing of each individual student. We are committed to delivering on this promise every day. So much so, we guarantee this promise.

After 35 years, our tried and true personalized education approach has helped more than 19,000 students throughout California and beyond achieve academic and personal success. We are confident we can transform your child's educational journey as well.

Parent **PROMISE**

If you are not satisfied with your student's experience at Futures Academy during their first 30-days, we will refund your tuition in full. No questions asked. No explanation necessary.

*The Client Promise, i.e. Parent Promise, ("Promise") is included with all new full-time enrollments (4 or more classes) for Fall or Spring semesters (excludes summer semesters) beginning November 20, 2020 and continuing until further notice. The Promise allows Clients to enroll their Student(s) financially risk-free (except as provided below) for the first 30 calendar days of each applicable semester. Should Client notify Futures of Client's decision to withdraw their Student(s) from ALL Futures classes for a Fall or Spring semester within 30 calendar days from date of the first scheduled class session, all funds paid with respect to such semester (other than amounts paid in connection with school activities, field trips, etc.) will be fully refunded and all amounts remaining due for such semester will be forgiven. The Promise supersedes, where applicable, Futures' standard refund policy as described in the handbook. After the first 30-day period, Futures' standard refund policy will again apply. The Promise is non-transferable and not redeemable for cash.
